ADDRESSING ISSUE UNIQUE TO MEN

November 22, 2008

May 9, 2009

Bronx, NY

Are you suffering, or do you know a man who is suffering, because of the loss of a child through abortion?

Did you pressure someone, or were you both pressured to abort?

Were you against the abortion?

Did you go along because you thought you had no say but wanted to support the woman?

Did you find out she had aborted after the fact?

Is your wife or girlfriend post abortive?
